Summer Camp 2024

Welcome to Edutainment Learning Center (ELC)! Our academic and recreational camps (Fort Washington Only) and our Creative Arts Camp (Bryans Road Only) are for campers aged six through thirteen years and our sports camp (Bryans Road Only) is for ages eight through fourteen. We have combined education and fun all in one with our academic and recreation camp. We will give students the education they need during summer break, while having fun! Campers will be given the opportunity to be ahead for the upcoming school year when enrolled in our academic and recreation Summer Camp. Campers will have lessons in reading, math, writing, and language arts. We believe that campers need a quality program that provides educational experiences while entertaining.

We have partnered with DeJuan Ellis Sports Performance Training to provide a sports camp at our Bryans Road location. Our Sports Performance Training and Fitness Camp is offered for ages 8 through 14. Campers will be involved in sports performance training that benefits all sports. Sports Performance Training will include drills that enhance, fast and slow twitch muscle drills, speed, power, quickness, and explosiveness. Campers will also be involved in basketball skills and drills.

Edutainment limits campers' attendance to 10 hours per day, with a charge of \$1.00 per minute for additional time beyond the 10-hour mark.
