# Summer Camp 2026

Welcome to Edutainment Learning Center's 21<sup>st</sup> (ELC)! Our academic and recreational camp for ages 5 through 13. We have combined education and fun all in one with our academic and recreation camp. We will give students the education they need during summer break, while having fun! Campers will be given the opportunity to be ahead for the upcoming school year when enrolled in our academic and recreation Summer Camp. Campers will have lessons in reading, math, writing, and language arts. We believe that campers need a quality program that provides educational experiences while entertaining.

**Camp Start Date: June 15, 2026**

## Hours of Operation:

7:00 AM - 6:00 PM

Campers will need to arrive by 9:00 AM to participate in the academic lessons. Please note: Campers may attend up to 10 hours per day. After 10 hours, there will be a \$1.00 per minute late charge.

## Arrival & Departure

Upon arrival and departure parents are required to bring campers into the building and see that the child is under supervision of a staff member before leaving the premises. All campers will be signed in by our staff. You are required to list all individuals that will be picking up your child on the registration form. If someone other than the persons listed under “authorized to pick up” come to pick up a child, the child will not be released to that person, unless we receive a phone call from the parent or legal guardian. If it is the first time that the child has been picked up by that individual, identification will need to be shown at the time of pick up, even if the individual is listed under emergency contact.

## Field Trips:

Campers will go on field trips every two weeks. The field trip schedule is posted in the center and on our website. All campers must have what is needed for a particular field trip. All Field trips and activities that your child will be participating in must be paid in full upfront by May 31, 2026. If you are registering after this date, it is due at the time of registration. There will be no exceptions. All field trip fees are non-refundable and non-transferable. If your child will not be attending a field trip on a week he/she is scheduled to attend camp, let us know in the note section of the registration form. You will receive a field trip invoice in your Brightwheel account.

All campers will receive one camp T-shirt included with their registration. Campers must wear their camp t-shirt on field trips. If a camper comes in without a t-shirt on a field trip day, you must purchase a t-shirt for \$20 for the camper to attend the field trip. Lunch availability will be listed on the field trip list. If a camper will not be attending a field trip or activity, alternative care will be needed on that day.

## Illness of Student:

ELC is not authorized to care for sick children. Parents are responsible for providing alternate care in the event of a child's illness. Children with allergies or any other condition will not be excluded from any activity. We are an academic/recreation camp, so if you do not want your child to participate in an activity, you are responsible for providing an alternate care plan. If a child is ill when he/she arrives at the ELC, the child will not be allowed to enter. If a child becomes ill while at ELC, a parent will be notified, and the child will need to be picked up immediately. A child will not be re-admitted to the ELC after a serious illness, unless the parent/guardian presents a written statement from the physician certifying that the child is well enough to return to ELC.

# Medication Policy

ELC can give medication only with written approval from a doctor using the forms on our website. This applies to inhalers and EpiPens. Please do not send any camper with inhalers or EpiPens in their bags or pockets. Any self-carried inhaler also needs a doctor's approval.
